Newlands Shutdown – We want to thank everyone for their efforts over the past couple of weeks, with the shutdown being extended this is a great opportunity to continue with consistent work. Well done to you all and to all our remaining crew for the significant work load you have undertaken to keep all our existing work going.

Happy Easter to all our DCS family we hope you have a safe and enjoyable break with loved ones.

On a serious note we do also want to take the opportunity to discuss our expectation for behavior.

**D is for Dedication – to our work and Performance.**

It is our mission to show our Dedication through our pride in performance and our contribution to our team and our Service Providers.

**C is for Compassion – for our team.**

DCS prides itself on being a family owned and operated business, we endeavour to treat all employees of our team as a part of our extended family and encourage our Team to look out for each other, to take the extra step to ensure the wellbeing of our DCS Family.

**S is for Safety – Focus and Mindset.**

Safety is of the highest priority in all we do. It is not only in the actions of following procedure and protocol but in the attitudes and everyday actions that we have the safety of ourselves and others as embedded values.

DCS Values as above what do they mean to you?

How do you demonstrate them in your work life?

We want to reiterate that Dedication, Compassion and Safety also stands for providing a safe respectful workplace for our colleagues mental wellbeing. That we are dedicated to being not only great at our jobs but good at being good people. Showing respect, care and consideration for others mental and physical health. Dragline Cleaning Services has zero tolerance, for Harassment Discrimination or Bullying in the workplace. We have an open door policy to all our management team who are hear to provide support, guidance and assistance to all our employees. We have also attached our EPA available to all employees .
